Highlights of the Experience

Sixty Foot Falls and Banyowla Regional Park

The Sixty Foot Falls are in Banyowla Regional Park. First we will take a short walk up a small hill which hosts an array of Wildflowers and is blanketed in colour in Spring. We then drive on to the Sixty Foot Falls and take a short walk along the Ellis Brook to have stunning views of the falls. The area is rich in wildlife including kangaroos, cockatoos, fairy-wrens, and parrots. This park has over 500 species of wildflowers!

Bickley Reservoir Picnic area

We have morning or afternoon tea at Bickley Brook Reservoir. This is a superb foothills location with wildflowers and wildlife and the Bickley Brook.

Lesmurdie Falls National Park

The stunning Lesmurdie Water Fall is in Lesmurdie National Park. We will visit the lower falls and take a short walk along the Lesmurdie Brook to have spectacular views of the waterfall. There are wildflowers and wildlife to see along the way.

Zig Zag Scenic Drive

We finish our trip with a drive down the Zig Zag Scenic Drive. This is one of the hidden gems of Perth with wildflowers and spectacular views over Perth and the surrounding area. We stop off a few times for photographs and to look at the wildflowers.
